# myKN

Managing your shipments can be slow and time-consuming. To stay competitive, you need to act quickly and seize opportunities. As situations change rapidly, it is crucial to have the right tools to support your business.

At Kuehne+Nagel, we've designed an intuitive shipping platform that anticipates your every need. Based on close collaboration with our customers, as well as deep logistics experience, myKN is an easy-to-use platform that gives you complete control of your shipping. Your customers will notice the difference.

## Sign up and try myKN

Fast-paced innovation and access to instant information has created growing expectations in the marketplace. myKN provides the tools for you to exceed those expectations.

**Quote:** Get competitive quotes instantly for air freight, sea freight LCL, premium FCL, road freight and rail freight. Use the quote today or save it for later.

**Book:** A comprehensive and convenient way to make bookings with minimal data entry.

**Track:** Full visibility of your shipments including instant notifications of milestones. Check shipments with your own reference number, and easily access your transport and commercial documents.

Sustainability is an essential topic for Kuehne+Nagel and our customers. myKN measures the environmental impact of your shipments and provides options for you to offset these through certified nature-based projects.
